

Mayra Lucas - Senior Transfer Pricing Advisor at OECD

Mayra joined the OECD in 2008, and since then she has worked in the major transfer pricing projects undertaken by the OECD, including the development of the guidance on risk and re-characterisation, intangibles, documentation and high-risk transactions in the context of the Base Erosion and Profit Shifting project. She has contributed to the OECD project on the tax challenges arising from the digitalisation of the economy, including Amount B, and currently leads the work on a wide range of issues including the future revision of Chapters IV and VII of the Guidelines and the update of the country-by-country reporting minimum standard. Before joining the OECD, she worked for the European Commission at the DG Taxation and Customs Union on exchange of information and fight against VAT fraud, Deloitte in Brussels as a senior consultant; and in Cuatrecasas, as a tax and corporate lawyer. She holds a Degree in Law and a Degree in Business from the University of Barcelona, as well as an LLM in Taxation from New York University School of Law.”
